Detter Receives LEED Green Associate

Lititz/State College, PA – Brent Detter of ELA Group, Inc. recently received his LEED Green Associates from The Green Building Certification Institute. Detter is a Senior Project Manager in ELA's Landscape Architectural Department. He has been employed by ELA Group, Inc. since 2006. As a LEED Green Associate, Detter denotes basic knowledge of green building principles and practices and LEED.

Detter is currently working to achieve his LEED AP ND (Accredited Professional Neighborhood Development) which will be beneficial in the design and development of neighborhoods that meet accepted high levels of environmentally responsible and sustainable development.

About ELA Group, Inc.:
