

# Harrisburg Area Community College

Lancaster Campus

East Lampeter Township, Lancaster County, Pennsylvania

## Project Description:

The Lancaster campus of Harrisburg Area Community College (HACC) is located on a 50 acre site near the city of Lancaster. The site includes a 100,000 square foot educational building with an in-house daycare unit, parking and service facilities, two private street accesses and supporting utility infrastructure on a 19 acre tract. The campus design included the creation of outdoor plaza/patio spaces to complement the interior uses of the building and a passive recreation trail through the site's stream corridor. This will provide a pedestrian link to the neighboring properties and ultimately connect to a greenway along the Conestoga River.
